ARMY Declass/Release Instructions On File

2430 E. Street, NW
Washington 25, D. C.

Dear Paul;

Captain David Wiens, Royal Canadian Army, assigned to the Office of the Assistant Chief of Staff, Intelligence, Department of the Army, has been approved for attendance at the forty-fourth class of the U. S. Army Strategic Intelligence School. He has been cleared for access to TOP SECRET material.

It is believed desirable to advise each lecturer of the presence of a foreign officer in the class. It is not desired, however, that your lecture be modified to accommodate the foreign officer. If you include material which you would not desire to convey to a Canadian officer, or would prefer not to have him present during the question period, he will be precluded from attendance. One of the officers of the General Instruction Department at the Strategic Intelligence School will contact you prior to the scheduled date of your talk and inquire as to your desires on this matter.

Yours very truly,
